

ARUNDEL LIDO TO OPEN FROM APRIL IN 2012!

ARUNDEL OPEN-AIR LIDO – located in the heart of the historic town and with magnificent views of the castle – will be opening for longer in 2012! For the first time ever, Arundel Lido will open over **Easter**, with a **FREE Preview Day** on Saturday 31 March followed by **Daily Opening** 10am – 7pm from Sunday 1 – Sunday 15 April.

This will be followed by **Weekend Openings** from 21 April – 27 May and the hugely popular **Daily Summer Opening** will commence on 2 June and continue until 3 September.

The Lido offers a large range of Season Tickets, encompassing Families, Adults, Juniors and Children. Concessionary discounts are also available. Despite the longer season, Season Tickets purchased by 31 March 2012 will be offered at last year's prices.

Benjamin Centa, the Lido's General Manager, said: "Arundel Lido is the only Lido in West Sussex and attracts visitors from near and far. We are very excited that the Lido will be opening for many more days this year and we are hoping that local residents and visitors to the Town will take advantage of this."

He continued: "We offer a wide range of out-of-public-hours activities, from our "Early Birds" morning swims and mid-morning "Aquarobics" to our "Late Swallows" evening swims, and - for 2012 - we will be introducing new Swim Schools for both adults & children.

The Lido is in a wonderful position and we will be offering a range of new private hire deals – have you ever thought about having a party or a wedding at Arundel Lido?”
